

Dream Team

WOMEN'S NETWORK

We are a high-energy group of women looking to help each other grow our respective businesses. The purpose of the group is to develop relationships among different industries to expand our networks and be a resource to our clients for corporate and personal services. A unique aspect of this group is that we select a non-profit organization to support each year with our time and talent. We offer a unique culture of support, integrity and professional development to our growing group of members.

Mission

To be THE center of professional influence in the Greater Dallas Business Community, for women.

Vision

Within 5 years grow Dream Team Women's Network into a 50-member organization to be the Center of Influence in Dallas by attracting successful and well-regarded female business and community leaders by leveraging their professional networks for the benefits of the greater community.
